<b>Date</b>	August 31, 2004	<i>[Signature]</i>	I	038-XXXX	S	038-XXXX
<b>Scope</b>						
MACS Cask Top shielding elements. Submittals affected: 038-0001 thru 038-0006.						
<b>Purpose</b>						
The Cask cable bulkhead will be moved approximately 6 inches to the west to keep it well out of the neutron beam.						
<b>Description</b>						
A modification to the Cask top shield, MACS_dfmlid_03 is proposed that accomodates the relocation of the cable bulkhead described above. The change is represented in two IGES bodies: 1) The "before" body is included as macs_dfmlid_03-before-mod.igs 2) The "after modification" body is included as macs_dfmlid_03-after-mod.igs
